Case Studies

Management Development Program

Australian Taxation Office (ATO)

Since 2016, IPS has delivered the ATO's Management Development Program, providing quality leadership and management training while recognising the continuing journey of the ATO in cultural transformation. IPS delivers consistent, scalable and flawless quality blended learning programs, supported by proven project management and an experienced delivery team.

"The delivery of the presentation is very professional, easy to follow, easy on the eye, and set out beautifully. Shout out to IPS and everyone who has worked really hard to get this up and running. What an amazing team." - Brenda Marshall, ACT Learning Lead Coordinator | ATO

Strategic Plan Development

Queensland Indigenous Family Violence Legal Service (QIFVLS)

IPS was engaged by the Queensland Indigenous Family Violence Legal Service (QIFVLS) to work with the board in facilitating and delivering a strategic planning process. Led by Managing Director Kristal Kinsela, we guided the board through a dream session and a process that included development of a new vision and mission statement, and strategic plan. QIFVLS continues to engage IPS to support their strategic direction.

Family Literacy Program Operational Review

State Library of Western Australia

IPS conducted an operational review of the State Library's Better Beginnings family literacy program, reviewing service levels and team structures to ensure alignment with the library's strategic objectives and management of key partnerships. Key recommendations included ways to streamline operations and service delivery to effectively and sustainably manage the program's growth.

Kimberley Change And Leadership Project Coaching

Department of Communities (WA)

IPS and partners Nous delivered coaching sessions for Level 6 to Level 8 leaders across various government departments and not-for-profit organisations in the Kimberley region. Our delivery used Wave Assessments to identify leadership attributes, and up to four individual coaching sessions to 40 participants over the course of 12 weeks. The sessions were delivered by our experienced team of coaches to participants in remote locations using online platforms.
